

Hospitals and Medical Centers in Egypt

The Embassy of the United States of America in Cairo assumes no responsibility for the professional ability or integrity of the persons or firms whose names appear in the following list. The names listed are arranged alphabetically, and the order in which they appear has no other significance.

Note: The number between brackets is the city code for landline phone numbers. For example, (02) is for Cairo, (03) for Alexandria, and so on. When calling any landline number within Egypt from a mobile phone you must include the city code. When calling from a landline within Egypt you must include the city code if you are calling a landline in any city except the one where the landline you are using is located.
