According to the updated regulation of the US Government related to the NDAA policy, we need to have a confirmation from all vendors concerning the NDAA compliance in order to continue doing business with them. Therefore, please confirm by signing and stamping the attached document that you do NOT provide, or use prohibited (covered) telecom equipment or service related to any business with the US Government.

The definition of Covered or Prohibited technologies are telecommunications equipment or services includes all telecommunications equipment or services produced and provided by Huawei Technologies Company or ZTE Corporation, and video surveillance and telecommunications equipment or services produced and provided by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company, or any subsidiaries or affiliates of the five entities. Please see FAR 4.2101 for a complete definition.

Let me know if you have any questions and waiting to have your confirmation ASAP in order to continue our business relationship.

Please be informed that you must, at time of award, have a valid SAM account

Quotations are due no later than Thursday September 8, 2022 at 1500 hrs. Quotes should be submitted to: CairoContracts@state.gov
